

Construction Update
Cabot Danville US 2 Reconstruction
FEGC F 028-3(26) C/2

Project Location: The 1.4 mile project extends along US 2 from Last Road to Danville Hill Road in Cabot. This is a multi-year project with most of the work occurring in 2017/2018. Completion is scheduled for 2019.

Columbus Day (10/9): Crews will be working behind the barrier east of Goodrich's Maple Farm with no planned lane closures on US 2.

Week of October 9th, 2017

US 2 – East (Danville Side) of Goodrich's Maple Farm

There will be several active operations within the project this week:

- Onsite traffic diversions will be used so crews can install drainage pipes across the road.
- Excavating the new roadway alignment will continue in the section behind the barrier.
- Slope excavation just east of Goodrich's Maple Farm will continue in preparation for the new roadway alignment.

Alternating one-way traffic will be maintained for a construction package east of Goodrich's Maple Farm. Expect short delays.

US 2 Bridge #88 (Near Folsom Farm) Replacement:

Work will continue on construction of the new bridge near the Folsom Farm. Traffic impacts will be minimal at this construction operation.

Traffic – Minor traffic delays can be expected this week.

It is illegal in VT to use any handheld portable electronic devices while driving. The law carries fines of up to \$200 with points assessed if the violation occurs in a work zone.
