

RFP (request for proposal) – Lighting at Town Garage

The Town of Danville is seeking proposals from licensed electrical lighting contractors to evaluate the Town Garage Building lighting needs. We are seeking an assessment of the current lights and recommendation for improvements. A plan for corrective actions and/or removal of old fixtures and/or replaced with new LED fixtures is sought.

Questions regarding the proposal and to view the location should be directed to:
Assistant to Selectboard, Audrey DeProspero at 802-684-3426

Please submit proposal by November 15, 2017 either via email or mail:
