

Town of Danville Planning Commission Meeting
January 22, 2015
Danville Town Hall: 7:00PM

In attendance: Jeff Paquet, Jim Ashley, Vincent Foy, Kate Whitehead

1. Meeting was opened at 7:00 pm
2. Proposed Solar Facilities:
 - Applications for solar electric generation facilities located on Red Barn Road and Windy Hill Road were reviewed.
 - Renewable Generation LLC project manager to be invited to present on proposed facility at upcoming PC meeting.
3. Town Report:
 - Zoning Updates: Shoreland and Flood Hazard Overlay Districts
 - Rail Trail Development
 - Proposed sidewalk extension
 - Review of Subdivision Regulations (i.e. subdivision permit requirements)
 - Danville Recycling Facility
4. Danville Recycling Center
 - Universal Recycling Law (Act148). Legislation bans the disposal of certain solid waste from landfills. For more information: www.recycle.vermont.gov
 - Discussed concerns related to current location and capacity and importance of infrastructure compliance for meeting state goals.
 - Currently a volunteer staffed facility. There is a need for extended hours of operation or relocation to meet demand.
5. Town Plan and Zoning Bylaw Amendments:
 - Public hearings scheduled to begin after Town Meeting in late March.
 - Information and notice to be made available at Town Meeting
6. Approved December minutes

Meeting Adjourned 8:30pm
