

THE VERMONT BERNIE BUZZ

NEWS *from* SENATOR BERNIE SANDERS

Sen. Bernie Sanders' office and a coalition of Vermont senior groups will hold a town meeting on senior issues on Friday, July 28 at the Barton Senior Center, 17 Village Square, in Barton.

A free lunch will be served at noon. At 12:30 p.m., representatives from Sanders' office, Barton Senior Center, Northeast Kingdom Council on Aging, and the Vermont Alliance for Retired Americans will give short updates on issues impacting seniors, followed by an open discussion.

Vermont seniors are invited to hear about proposals coming out of Washington that call for cutting Social Security, Medicare, Medicaid and Meals on Wheels. These misguided proposals would also make prescription drugs even more expensive. Now is the time to get informed, ask questions and take a stand.

The event is free and open to the public. Please call [1-800-339-9834](tel:1-800-339-9834) to RSVP.
