

**Construction Update
Cabot Danville US 2 Reconstruction
FEGC F 028-3(26) C/2**

Project Location: The 1.4 mile project extends along US 2 from Last Road to Danville Hill Road in Cabot. This is a multi-year project with most of the work occurring in 2017/2018. Completion is scheduled for 2019.

Week of December 4th, 2017

The work plan for this week will be similar to last week as crews continue to reconstruct east of Goodrich's Maple Farm.

US 2 – East (Danville Side) of Goodrich's Maple Farm

Most of the work this week will occur behind the barrier near Goodrich's Maple Farm. Short traffic interruptions may occur to allow for trucks to enter and exit the construction site.

Crews will continue construction on the second phase of excavation for the new roadway alignment east of Goodrich's Maple Farm. Work will include installing new underdrain and select stone material.

Excavation for the retaining wall at Goodrich's Farm will continue this week also.

* Trucks will be hauling material to the fill area near the Folsom Farm throughout the week which could result in minor traffic interruptions as trucks access the area.

Traffic – Minor traffic delays can be expected this week.

It is illegal in VT to use any handheld portable electronic devices while driving. The law carries fines of up to \$200 with points assessed if the violation occurs in a work zone.
