Motion made by Jeff Paquet to endorse the Better Connections Resolution. Jill Kelleher seconded.
Motion Carried.

The group reviewed the draft project area map that will be submitted with the grant application. Letters of support that we have received so far were also reviewed and we further discussed additional stakeholders to reach out to. Grant sections and progress on purpose and need, linkage to program goals and objectives, local commitment and ties to previous and ongoing planning efforts was also discussed.

Completed application sections should be sent to Glenn by mid-week for compilation. A draft version of the grant application will be sent to Alison Low(NVDA) and Richard Amore (ACCD) for feedback. We will review feedback at the next PC meeting on 1/25.
