

Town of Danville Mowing Specification
Greenbank's Hollow Historical Town Park (GBHP)

The park's anticipated 2018 needs for mowing and trimming of several small parcels will be:

Mowing - 4 times each in June, and July; 3 times in August, and 2 times in Sept. (total of 13).

String trimming to be done around foundations, certain plantings, signs and kiosks, etc. as needed.

Should the selected vendor find any downed trees, broken markers, they should report them to the Selectboard Administrative Assistant. The Selectboard will then determine what, if any, subsequent action will be taken.

It is highly recommended that prospective vendors visit the sites involved due to there being several small parcels. Upon request, the town will provide a guided tour of all sites.

Vendors should quote a price for the cuttings/trimmings. Quotations in writing should be submitted to the attention of the Danville Selectboard, PO Box 183, Danville, Vermont, 05828-0183, either by US Mail or by hand delivery at the Danville Town Hall no later than 4 PM on April 19th, 2018. Please mark the envelope "2018 Mowing Bid – Town Cemeteries".

Please provide with your quotation a copy of your general liability insurance coverage in an amount not less than \$1,000,000 (One million dollars).
