

Construction Update
Cabot Danville US 2 Reconstruction
FEGC F 028-3(26) C/2

Project Location: The 1.4 mile project extends along US 2 from Last Road to Danville Hill Road in Cabot. This is a multi-year project with most of the work occurring in 2017/2018. Completion is scheduled for 2019.

Communications Announcement

Due to recent health related issues, Francine Perkins will be stepping down as the Public Outreach Coordinator for the Montpelier Transportation Projects. Natalie Boyle of EIV Technical Services will be taking over as Public Outreach Coordinator for the **Cabot-Danville Reconstruction project**. Natalie brings extensive public relations experience and will provide support to the community as these projects move forward. Natalie and Francine will be transitioning the outreach responsibilities throughout the remainder of this week.

With questions or concerns about either of the projects, please contact Natalie at: nboyle@eivtech.com, (802) 855-3893.

Reduced Speed Limit – The posted speed limit has been reduced to 40 mph through the project. Please reduce speed and use caution traveling through the construction zone.

Expect traffic delays as there will be several active operations throughout the project.

Week of May 14, 2018

Crews will be working on the approaches to the temporary bridge west of Houghton Road. Work will also resume on the new bridge near the Folsom farm.

Crews are scheduled to begin road widening operations throughout the week of 5/14. This work will occur at Houghton Rd. and progress toward the Folsom Farm.

Construction of the retaining wall in front of the Goodrich Farm will begin the week of 5/14.

Contact Natalie Boyle, Project Outreach Coordinator, EIV Technical Services, with any questions or concerns in regard to this project at 802-855-3893 or nboyle@eivtech.com.
