

**Construction Update  
Cabot Danville US 2 Reconstruction  
FEGC F 028-3(26) C/2**

**Project Location:** The 1.4 mile project extends along US 2 from Last Road to Danville Hill Road in Cabot. This is a multi-year project with most of the work occurring in 2017/2018. Completion is scheduled for 2019.

**Reduced Speed Limit – The posted speed limit has been reduced to 40 mph through the project. Please reduce speed and use caution traveling through the construction zone.**

**Expect traffic delays as there will be several active operations throughout the project.**

**Week of June 4, 2018**

Crews will be working on the approaches to the temporary bridge west of Houghton Road.

Crews are scheduled to continue road widening operations throughout the week of 6/4. This work will occur at Houghton Rd. and progress toward the Folsom Farm.

Installation of dense grade crush stone and sand borrow material will continue from Danville Hill Rd. to the Goodrich property. .

Construction vehicles will be entering and exiting the work zone throughout construction hours, and as a result, alternating one way traffic patterns with flaggers will be in place. Brief delays can be expected.
