

## **PRESS RELEASE**

### **Joe's Pond Aquatic Nuisance Control Project**

#### **West Danville, VT**

The towns of Danville, Cabot and Walden in conjunction with the Joe's Pond Association are staffing greeters/educators at the State of Vermont Joe's Pond Fishing Access, off Route 2 in West Danville.

Greeters gather empirical data and inspect boats for invasive Aquatic plants.

The program began June 17th and will continue through Labor Day.
