

**Proposed Work Schedule, Week of 10/8/18, Cabot-Danville US 2
Reconstruction
[Cabot-Danville FEGC F 028-3(36) C/2]**

Project Location: The 1.4 mile project extends along US 2 from Last Road to Danville Hill Road in Cabot. This is a multi-year project with most of the work occurring in 2017/2018. Completion is scheduled for 2019.

HOLIDAY: Crews will be off of the road by 12:00 PM Friday, 10/5 in observance of the Columbus Day holiday. Work will resume at 7:00 AM Tuesday, 10/9.

Crews are continuing the road cut working toward Houghton Road. Underdrain installation will take place along with this work.

Crews will be working on slope and ditch work from the Goodrich property working back towards Houghton Rd.

Work on driveways will continue.

Side road work will take place at Houghton Rd.

Excavation at Last Road will take place next week.

TRAVEL ALERT: A speed reduction zone of 40 mph is in place for this project. There are increased fines for speed violations within the construction zone.

TRAFFIC INFORMATION: Construction vehicles will be entering and exiting the work zone throughout construction hours, and as a result, alternating one-way traffic patterns with flaggers will be in place. Delays can be expected.

Please focus on safety when driving through the construction work zone and remember, it is against the law to use a hand held cell phone while driving in Vermont.
