DANVILLE SCHOOL DISTRICT – ARTICLE 4

“Shall the voters of the Danville School District vote to authorize the school board to expend six million three hundred thirty-seven thousand seven hundred fourteen dollars \$6,337,714.00 which is the amount the school board has determined to be necessary for the ensuing fiscal year? It is estimated that this proposed budget, if approved, will result in education spending of \$17,074.00 per equalized pupil. This projected spending per equalized pupil is 9% higher than spending for the current year.”

If in FAVOR of the budget, mark a cross (X) in this square.

If OPPOSED to the budget, mark a cross (X) in this square.
