

Construction Update

Cabot-Danville

[US Route 2 Road Reconstruction]

DATE: Thursday, 5/9/19

PROJECT TYPE: Roadway Reconstruction

LOCATION: The 1.4 mile project extends along US 2 from Last Road to Danville Hill Road in Cabot.

PROJECTED COMPLETION: Full project completion scheduled for 2019.

TRAFFIC IMPACTS: The speed reduction zone of 40 mph has been placed back in effect. Motorists should be advised that fines are doubled for exceeding the posted speed limit within the construction zone.

A one-lane alternating traffic pattern will be in effect in areas of active construction. Please add a few extra minutes to your travel time as minor delays may occur.

WORK SCHEDULED FOR THE WEEK OF 5/13/19:

DITCHING: Ditch and slope work will take place next week from Last Rd. to Goodrich's.

PAVING: Paving operations will continue today, weather and conditions permitting. Paving may go into next week due to weather.
