November 30, 2019

Members present: Ken Linsley, Kellie Merrill, and Henry Pearl

Members absent: Eric Bach, and Kristen Franson

Other attendees: Keith Gadapee, and Steve Larrabee

This meeting to conduct a site review was called to order at 9:03 am at 884 Hawkins Road. The purpose of the special meeting was to review a proposed relocation of a short section of Hawkins Road to move the road away from a house and to minimize a sharp, blind curve. The relocation was discussed and the general location of the relocated road was described and viewed. Any construction of the relocated road must be in conformance with existing Danville Highway standards and subject to review by the Highway Foreman as construction proceeds.

After walking the area of the proposed relocation and discussing necessary removal of some trees, the meeting was adjourned at 9:15 am.

Further discussion and public input will be received at the Public Hearing scheduled for December 5th at 5:30 pm at the Selectboard Room at the Danville Town Hall.

Respectfully Submitted
