

My name is Eric Bach and I am running for the open position of Selectboard – 3 year term. I have been on the Selectboard for four years. I am currently the Vice Chair of the Selectboard. While on the Selectboard I have worked with the Old Cemeteries subcommittee, have been an active part of the budgeting process, and have taken an active role in the supervision of staff overseen by the Selectboard. While on the Selectboard, I have remained active in meetings, subcommittees and functions of the Selectboard and Board of Civil Authority.

I own and operate my own business and am active in the Danville Community. I am the acting President of the Danville Chamber of Commerce, active in the Village Improvement Society, have been appointed as the Town Health Officer and am currently assigned to the role of COVID-19 Emergency Response Coordinator for the Town of Danville.

I would like an opportunity to serve the Town of Danville for another term on the Selectboard. I enjoy working with community members to resolve issues and helping to make Danville a wonderful place to live.
