

My name is Kristin Wyand Franson, I have just completed my 2nd term on the Danville Selectboard and I am running again for the 1-year seat in 2021. I have participated in the local election processes and assisted with Human Resource functions for the town; and most recently, began serving as a member of the Cemetery and Budget subcommittees.

I grew up in Danville and returned to the area with my husband Sean in 2010 to raise our two daughters, Kaden & Maya. I am a Practice Manager and Human Resources Manager at a healthcare facility in St. Johnsbury where I have gained valuable experience which can be applied to the role on the Selectboard; including personnel management & problem solving, budgeting, policy creation, and benefit management.

I appreciate the opportunity the Town has given me to serve on the Board for the last two years. I have learned so much and I look forward to applying that knowledge to another year, if the voters so choose. I feel lucky to be raising my children in this wonderful community and view my time on the Select Board as a way to serve it.
