### Official Change of Appraisal Notice

#### Appraisal Process

NEMRC has completed a reappraisal of all real property in Danville as of April 1, 2021. Over the past two years we have inspected the properties and entered the information into a computer assisted mass appraisal (CAMA) system. Many changes in property values have occurred since the previous reappraisal, and many properties have undergone substantial physical changes.

Please consider your appraisal to be at current market levels. Previous assessments are statutorily required for reporting, but have no bearing on the current assessments. Current Use values and Veterans exemptions are not included in the listing. Utility values have not been updated at this time.

The tax rate will be set after the completion of formal hearings and after the State finalizes the statewide rates. Do not equate a change in assessment with a change in tax amounts.

Every effort has been made to equitably assess property in Danville. Please compare your property with similar properties, and with properties that have sold over the past three years.

#### Hearing Process

Due to the Covid-19 issue we must comply with social-distancing requirements, and will need to conduct remote hearings for the informal hearings. These are informational hearings that allow a property owner to ask questions about their property value. They will be conducted either by phone or by using Google Hangouts (video).

**Informal hearings** will be held remotely on the following days:

May 10 – 12, 2021 9 AM - 12 Noon; 1 PM - 5 PM

Please call the NEMRC Hearings Call Center at 802-321-8025 for an appointment. Calls can be made weekdays from 9 AM to 4 PM. You will need to determine if you prefer a Google Hangout conversation (using Video), or a phone conversation. These conversations will last 15 minutes.

- If you choose a phone conversation you will be called by one of the appraisers at the specified time. You will need to provide a phone number when the appointment is made.
- If you choose a video conversation you will be sent an email with an invitation for the specified time. You will need a computer with a camera and microphone. You will need to provide an email address when the appointment is made.

**Formal grievance hearings** will be held remotely on:

May 17-19, 2021 9 AM - 12 Noon; 1 PM - 5 PM

Grievance hearings will be by appointment only and conducted remotely using the same process as above. They will last 15 minutes. Be prepared to present relevant evidence regarding the appeal. **All appeals must be in writing.** An email is an acceptable grievance request. Please call the NEMRC Hearings Call Center at 802-321-8025 for an appointment. Letters must be received, and appointments made on, or

before, May 17, 2021. If unable to attend, your appeal will be based on the information provided in the letter.
